

Alaska Glacier Lodge Transportation Options

Rental Cars

When arriving at Alaska Glacier Lodge, our recommendation is to rent a car. The lodge is just north of Anchorage, so guests can easily explore the Mat Su Valley. In addition to offering daily tours of the Knik Glacier and its surrounding areas, Alaska Glacier Lodge is also the base camp for Alaska Helicopter Tours.

Guests with rental cars can also participate in various tours in the Mat Su Valley, including zip lining, quad riding, horseback riding, fishing for salmon and trout, hiking, and exploring mines.
